

# Compact Panel Mount Industrial Computer Solutions

## AD-106 & AD-107 Panel Mount Computers - 6-Slot

### AD-106 PANEL MOUNT COMPUTER

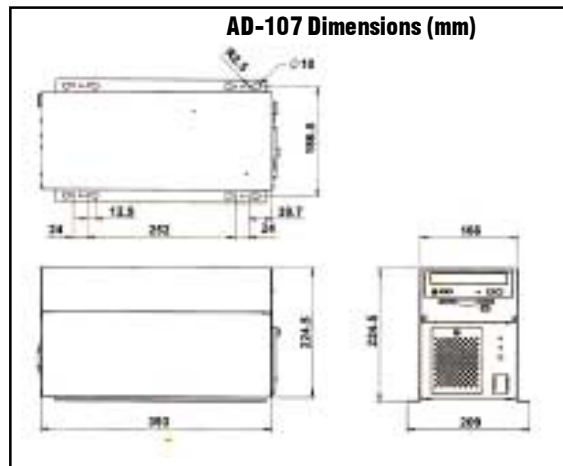

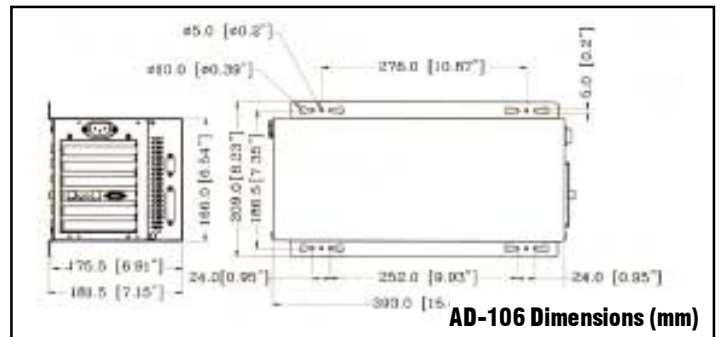

Rugged and compact, this desktop or wall mount computer accepts our BP-6S backplane to handle up to six add-on boards. Its unique EasyLift™ top accommodates one 3.5" floppy and one 3.5" hard drive. All steel construction and built-in heavy duty fan with removable and washable filter enables the AD-106 to withstand harsh environments.

#### Features:

- 6-slot full-length cards
- EasyLift top for access to drives
- Desktop or wall-mounting applications
- Heavy-duty steel construction
- Supports one 3.5" FDD and one 3.5" HDD
- Supports one 5.25" drive space (AD-107 only)
- Removable fan filter on front panel
- Ball-bearing cooling fan (32.4 CFM)
- Built-in reset, power & HDD LEDs
- Ideal for BP-6S backplane
- ACE-716A 150 W industrial power supply
- Operating temperature: 0°-50° C.
- Vibration (operating): 5~17 Hz, 0.1" double-amplitude displacement 17~640 Hz, 1.5 G acceleration peak
- Shock (operating): 10 G acceleration peak, 11 ms duration ACE-716T-48VDC input power supply

### AD-107 PANEL MOUNT COMPUTER

The AD-107 is similar to the AD-106 with the exception of its ability to also accommodate one 5.25" drive in addition to the two 3.5" drives. That's ideal for adding a CD-ROM drive.

All specifications are subject to change without notice.
